

THE ASSOCIATED NEWSPAPERS OF CEYLON LIMITED

We pioneered print media in Sri Lanka!
Now - 100 years later - we are still No.1

WEB DEVELOPER

Sri Lanka's Premier Print Media Organization is looking for creative individuals with strong Drupal experience to join our expanding web development project team. The right candidate will have the opportunity to work in exciting projects using the latest web development methodologies.

The ideal candidate should be,

- * Expert with DRUPAL, WORDPRESS and other CMS Systems and hand coded websites.
- * Experienced in coding with programming language knowledge in PHP, ASP, ASP.NET, HTML5, CSS, JQUERY, JAVA Script including MYSQL database knowledge.
- * Design with Adobe Collection with excellent attention to details.

Candidates should also have the ability to,

- * Function in a fast-paced environment with small & medium sized teams.
- * Work with minimum supervision to meet deadlines.
- * Motivated, results-oriented mindset.
- * Clearly communicate with the team.

All candidates are required to have minimum 2 years of experience in this field. You should have an eye for creativity and a knack for unique attention grabbing designs and ideas.

A competitive salary package will be offered depending on your experience and talent. If you are up for the challenge, please email us with your CV including some of the work done in this field to info@observerjobs.lk on or before 6th July, 2015.
