

# VACANCIES

Ministry of Mahaweli Development &  
Environment

## Mahaweli Water Security Investment Program (MWSIP)

**Funded by Asian Development Bank (ADB)**

Applications are hereby invited from suitably qualified citizens of Sri Lanka, for the following post in Program Management Unit (PMU) of MWSIP on Contract Basis.

### Program Management Unit — (PMU) — Colombo

- 1) **Independent Environment Safeguard Monitoring Specialist — 01 Nos**  
(Contract No: MMDE/MWSIP/ADB/3268-SRI/Ind.Consultant/CS-03/Env.Mon/  
NCB/2017/008)

#### A) Scope of work

The independent monitor will undertake periodic reviews (every six months) of three construction Projects under the MWSIP to ensure compliance with ADB's and Government of Sri Lanka's environment safeguard requirements. The consultant will prepare and submit bi-annual monitoring report to the PMU and ADB.

Input will be on home office and field based averaged of two months for each year, for a period of 3 years commencing from 2nd quarter of 2017 to 2nd quarter of 2020.

#### B) Job Profile

- Conduct periodic site visits to ensure contractor's compliance with the environmental management plan and regulatory standards at all three sub-project sites
- Review the PMU's environment management systems in place and ensure that records are maintained and effective monitoring is undertaken
- Conduct any sampling as required to ensure verification with monitoring records available on site.
- Consult key Government Agencies (CEA, DWC etc.) to verify compliance with national safeguard regulations
- Advise PMU of any non-compliance and recommend measures to improve environmental performance
- Assess if the Grievance Redress Mechanism (GRM) is meeting the required objectives and public complaints regarding environmental issues are addressed effectively
- Recommend measures to address any environmental impacts not identified in the EIAs (for NWPCP & UECP)/IEE (for MLBCRP) or EMP
- Ensure the EA and Contractors are complying with the CEA's conditions of approval

#### C) Qualifications and Experience:

A Master 's Degree in Environmental Science / Management or equivalent degree  
and

more than 15 years of experience in preparing environmental impact assessments and implementing environmental management plans, preferably for multilateral development bank financed construction projects.

Please refer "[www.mwsip.lk](http://www.mwsip.lk) -> Information -> Vacancies" for more information.

#### D) Payments:

Payments shall be made as per the **prevailing market rates adopted by the local (National) consultants in Sri Lanka** for similar tasks and are negotiable upon the following budget lines;

- 1) Monthly remuneration
- 2) Field work
- 3) Report preparation:

#### E) Forwarding of applications and Closing Date:

Applications giving full bio data supported by copies of education, experience, and other qualifications with names of two non-related referees should be sent to the following address by registered post on or before 22.05.2017.
